Club Licensing 2018

- Criteria requirements around pitches, facilities and coach education levels
- We have met the vast majority of requirements already
- Couple of coach education requirements remain that we are working through currently
- Very confident that we will be granted our youth license in early 2018 once our coach education submissions have been assessed by NZ Football.
- We are driving ahead with plan for CTFC Academy sides in 13/14th grade in 2018 and expect to have all youth license criteria met in January 2018

2018 CTFC Academy Format

- CTFC Academy teams in 13/14th grade in 2018
 - these teams will train 3 x per week and the game on Saturday with a Senior Level 2 qualified coach
- CTFC Academy Development Program
 - This will run similar to the 2017 Academy format providing great development opportunities for all players who wish to improve from U7 – U17 ages
- Potential for girls only groups depending on numbers

We will again have numerous external providers providing services such as functional movement screening, physiotherapy, mental skills, speed training, nutritionist and individual feedback sessions for all players.
